Shewing the position of Rama Rao previous to his appointment and his emoluments drawn by him. It was possible for him between 1.7.1920 & 15.9.22 & the appointed as Asst Supdt Central Records under which he also drew higher emoluments, because at that time there was no higher officer was made. Mr Rama Rao has pleaded no doubt but this is due to his retrenchment in the Revenue Asst Records. This was taken into consideration when he was appointed Asst Supdt (in the Balaji Rao vacancy) and he was allowed as special Rs 300, which is not sanctioned by the existing provisions of the Mys. Service Regulations. And he could not be appointed S/P.C as the vacancy was not a full vacancy.

5. It is not clear in the above circumstances what further relief can be given to Mr. Rama Rao under the recommendation of the Director of Archives that Mr Rama Rao be supernumerary Asst Supdt and absorbed in supernumerary

Final Note by the Second Member of Council.

Subject:—

Representation of Mr. B.Rama Rao, M.A., Sub Assistant Geologist regarding his rank and pay.

Mr. B.Rama Rao, M.A., Sub Assistant Geologist on Rs. 125-25/2-250 was appointed acting Assistant Geologist for 3 months from 8th January 1920 to 7th April 1920 during the absence of Mr. P.Sampath Iyengar on other duty. From 23rd May 1920 to 30th June 1920 he again acted as Assistant Geologist during the absence of Mr. Balaji Rao on leave. From 1st July 1920 to 15th September 1922 he was appointed Assistant S.P.T. Geologist, consequent on the employment of the permanent incumbent Mr. B.N.Venkataramaiya on other duty in connection with the Iron Works and he earned two increments in his sub-pro-tem appointment, so that he was drawing Rs. 350/- on 15th September when, in consequence of the abolction of the posts of Deputy Director and Senior Geologist under the retrenchment scheme and the reversion of Mr. B.N.Venkataramaiya from the Iron Works, he was reverted to his permanent appointment as Sub Assistant Geologist. On 11th October 1922 in consequence of the grant of leave for one year to Mr. B.Balaji Rao, Assistant Geologist, Mr. Rama Rao was again appointed to act as Assistant Geologist and though under the ordinary rules he was entitled to draw only an acting allowance of Rs. 60/- in addition to his permanent pay, he was, as a special case, permitted to draw the minimum pay of the Assistant Geologist (Rs 300), in consideration of his having acted as Assistant Geologist for over two years and drawn Rs. 350/- for over one year. The leave of Mr. Balaji Rao expires on the 10th instant and on his return, Mr. Rama Rao will have to revert to his permanent place as Sub Assistant Geologist. Mr. Rama Rao represents

that, in consideration of his having acted as Assistant Geologist almost continuously for over three years, he may be permitted to continue as Assistant Geologist (supernumerary) as a special case. The Director of Geology recommends the grant of the request.

Mr. Rama Rao's permanent pay is now Rs. 175/- and he will get his next increment of Rs. 25/- in January next which will raise his pay to Rs. 200/-. In view, however, of the fact that he had been drawing salary ranging from Rs.300 to Rs.350/- per month as acting Assistant Geologist for more than 3 years and that, but for the abolotion of some of the superior posts in the Department, as a measure of retrenchment, he would have got into the grade of Assistant Geologist, I recorded it as my opinion that Mr. Rama Rao, may, as a special case, be permitted to draw the maximum pay of his permanent appointment i. e. Rs. 250/- with effect from the date of his relief by Mr. Balaji Rao.

The question was considered at the meeting of the Council held on the 3rd instant when it was resolved that Mr. B.Rama Rao may, on his reversion as Sub Assistant Geologist, be given the maximum pay of the grade of Sub Assistant Geologist, namely Rs. 250/- per mensem.

I beg to solicit the gracious approval of His Highness to the above resolution.

8 AUG 1923

Sir,

In forwarding herewith a Memorial from Mr. B. Rama Rao, Acting Assistant Geologist, I have the honour to bring the following facts for the information and favourable orders of Government:-

1. Mr. B. Rama Rao was for the first time appointed to act as an Assistant Geologist for a period of three months from 8th January 1920, in the arrangements made during the deputation of Mr. P. Sampath Iyengar, Deputy Director, as per Notification No.1221/C.B.88-19-4, dated 28th February 1920. On the expiry of this period after an interval of about six weeks, he was again ordered to act in place of Mr. B. Balaji Rao, Assistant Geologist, who went on three months leave. Before the termination of this period Mr. Rama Rao was made sub-pro-tem in the grade of an Assistant Geologist from 1st July 1920, in place of Mr. B. N. Venkataramaiya, who was seconded to the Iron Works. He continued to be sub-pro-tem Assistant Geologist till the 18th September 1922, earning in the meanwhile two annual increments of Rs.25/- each. In consequence of Mr. Venkataramaiya's reversion to the Department, in Government Order No.I.C. 1499-1503/I.W.66-21-21, dated 6th September 1922, Mr. Rama Rao had to revert to his former post of sub-Assistant

Assistant Geologist, his pay being reduced from Rs.350/- to Rs.175/-.

2. Again after an interval of 25 days, from the 11th October 1922, he was ordered to act as an Assistant Geologist on Rs.300/- per mensem, in consideration of his having drawn more than that salary for the preceding two years, in the vacancy caused by the grant of combined leave to Mr. Balaji Rao Assistant Geologist. (Vide G.O.No.I.C.4099-4102/Geol. 19-22-30, dated 29th December 1922).

Owing to the abolition of the higher posts of Deputy Director and Senior Geologist in the Department and also of the post in the Iron Scheme for which Mr. B. N. Venkataramaiya had been deputed being filled up otherwise, the chance of Mr. Rama Rao's retention in the Assistant Geologist's grade is barred at present.

3. Mr. Balaji Rao's leave will expire on the 11th October next, and Mr. Rama Rao will have to revert to his former post of a sub Assistant Geologist which will be a great hardship after his lengthened approved service in the Assistant Geologist's grade for three years and eight months, practically without a break. In consideration of the hardship which will be created on him, I submit his case for the favourable consideration of Government and recommend that he may be permitted to continue as an Assistant Geologist without reversion to his former post and that he may be allowed to draw, as a special case, a consolidated pay of Rs.350/- which he had earned and was drawing before the 15th September 1922.

4. As there is no vacancy at present in the Assistant Geologist's grade, I suggest that he may be kept on supernumerary till the cadre is revised or till he is absorbed in a regular vacancy. If this recommendation is

approved

approved, Mr. V. T. Venugopal, who has been supernumerary as a sub Assistant Geologist may kindly be brought to the permanent cadre in Mr. Rama Rao's vacancy.

I have the honour to be,

Sir,

Your most obedient servant,

Offg. Director,

Mysore Geological Department.

NVN/

GEOLOGICAL DEPARTMENT
RECD. NO. 2112
AUG 17 1923

To

A. M. Sen, Esquire, M.Sc., F.G.S., &c.
Officiating Director,
Mysore Geological Department,
Bangalore.

Dear Sir,

I beg to request you to kindly forward my following representation to the favourable consideration of Government with your kind remarks on the merits of the case.

I was appointed to act for the first time as an Assistant Geologist on the 8th January 1920 for a short period of three months during the absence of Mr. P. Sampath Iyengar, on deputation to Northern India. On the expiry of which, after an interval of about one and a half months, I was again given a chance to act during the absence of Mr. Balaji Rao, Assistant Geologist, on leave, and before the termination of which period the Government were kind enough to make me sub-pro-tem in the grade from the 1st July 1920. I continued to be sup-pro-tem Assistant till the 15th September 1922, earning in the meanwhile two annual increments of Rs.25/- each. The fixing of the cadre of Assistant Geologists to two, at the time of retrenching and re-organising the Department, and also the reversion of the permanent incumbent to the Department who had been seconded to Iron Works, was likely to make my position insecure. At that time Mr. Jaya Ram, the then Director, was kind enough to urge my case repeatedly for consideration of Government recommending my confirmation as Assistant Geologist. On my personal representation of my somewhat precarious situation to the Dewan-Sahib, he was kind enough to assure me verbally at that time that in case of my reversion the difference of the pay I was then drawing and my substantive pay as Sub Assistant would be given to me as personal allowance. Before the final issue of the order retrenching the Department one of the Assistants taking furlough leave, the Government again placed me as an Acting Assistant allowing me to draw my salary at Rs.300/- a

month,

20

month; the minimum pay of an Assistant Geologist, on consideration of my having drawn that pay and more for the preceding two years. By this order I suffered a loss of Rs.50/ and the chances of earning further increments. On interviewing the then First Member of Council, soon after the order was issued he was again kind enough to assure me that I would shortly have a chance of continuing as an Assistant and that I need not be under any apprehension. This gave me hopes of getting my original pay, which I am sorry to bring to your kind notice has not been realised.

I beg to bring to the generous consideration of the Government that I have been an Assistant Geologist for the last three years and eight months, with a break of only six weeks, either acting or sub-pro-tem, having drawn my salary at Rs.300/- 325/-, 350/- per mensem. In spite of this lengthened trial of my service in the grade of an Assistant Geologist, my position there is still insecure, since the vacancy in which I have been acting will terminate on the 10th of October on the return of the the permanent incumbent from leave. The abolition of the higher posts in the Department and the post in the Iron Scheme for which one of the permanent Assistant Geologists had been seconded, being at present filled up otherwise have actually barred the way of my due promotions. Having had no reasonable apprehension of a reduction of pay, and unfortunately taking a loan from the Government as an advance for house-building, my financial position has been very much straitened owing to the several items of adjustments I am compelled to make in my salary The loss of the Rs.50/- a month in my salary has been telling very severely on me and I humbly request the Government to consider my case generously and confirm me in my present grade of the Assistant Geologist allowing me to draw Rs.350/- a month which I had been doing before. This will remove the undue hardship on me which has been created at present and set right

my

my position, for which act of generosity and kindness I will ever be grateful.

I beg to remain,,

Dear Sir,

Your most obedient servant,

B Ramarao

Ag. Assistant Geologist,

Mysore Geological Department.

Bangalore,

16th July 1923.
